

Do you have Type 2 Diabetes?

The surgery are making changes to the way we support you with our new service

You & Type 2

We will help you to live easier with Type 2 diabetes by:

Supporting you to have a better understanding of your diabetes

Completing all of your diabetes annual checks

Sharing all of your diabetes results before your annual appointment

Creating a plan for your diabetes for you to take away

If you would like more information on You & Type 2 then please speak to a member of staff or visit the website:
